

Meeting FJMHS December 12th 2021, 11.30am on Zoom.

Attendees Sandra Dudley, Donald Henderson, Vicky Baker, Rebecca French.

Activity

Activity in 2019/2020 was minimal e.g. lottery returns, some spends (see below).

Since Sept 2021 publicity has gently increased to reach new parents, continue fund raising and spark interest for more volunteers.

- Regular promotion of The School Lottery via parentpay, using marketing materials provided by The School Lottery.
- Changed the donate platform to Evershare on school and FJMHS website.
- Parentpay message to promote **donation** option, **Amazon Smile**, **school lottery** and call for **volunteers**.

Spending

- Last year we supported the purchase of sports equipment (table tennis) and some further Performing Arts equipment (legacy spending from Co-op funding).
- Current bank balance is £11,500.
- Trustees want to see this used, sooner rather than later. We discussed match funding for big capital projects and/or spending on 'small ticket' items.
- Potential capital projects to support through match funding: sports pitch, sports courts, theatre roof, theatre raked seating.
- Potential 'small ticket' projects: wellbeing projects, equipment purchases e.g. projector, court markings, outside seating.

Action

DH: publicity as above (parentpay) + these meeting notes onto FJMHS website (VB).

RF: Ask Faculty Leaders and Year Leaders for ideas for 'small ticket' spends and get current picture of big projects

VB: Find latest info on Co-op Community Fund and forward lottery returns to SD.

Next meeting

Friday 11.30am Zoom, January 21st.
